

# The Hitchhiker's Guide to Online Anonymity

Donations to support this project are welcome as the funding of this project is limited. Those donations are mainly used to pay for Tor onion hosting (VPS), mail hosting, domain name registration, and to maintain/run Tor exit nodes. **No profit is ever being made.** All donations and spendings are being logged here below for transparency.

## Current project donation goals:

- Funding for a VPS for hosting our .onion website : **done**
- Funding for extending our domain name : **Recovery of original domain secured until 2029**
- Funding for a decent mail hosting
- Funding for a VPS for hosting various services
